On the day

Drop off point: station forecourt
Coach parking is at Lakeside and Slate Museum

Arrival
Groups must arrive 1 hour prior to departure. This allows ample time to collect and distribute tickets, enjoy a short 10-minute introductory film, use the facilities, and ensure a smooth boarding process.

Missed trains
Trains depart strictly on schedule and cannot be held for late arrivals. Groups arriving after their scheduled departure time will be treated as non-arrivals, and full booking charges will apply.

Weather
Weather conditions on Yr Wyddfa can be unpredictable and may change rapidly.

In severe weather, trains may be unable to reach the summit and will terminate at **Rocky Valley**, approximately five-eighths of the way to the summit. For passenger safety, passengers will not be permitted to disembark at Rocky Valley during periods of high winds.

Low cloud and poor visibility do not, in themselves, prevent trains from travelling to the summit.
